

## **BIKES**

You can take part in the TT on your own bike, one of the single-speed roadsters supplied by M-Bikes, or even both! To use one of the roadsters you will need to book it in advance via M-Bikes and raise a minimum of £50 in sponsorship. However, if you raise £250 or more, you can keep the bike! If you are unable to raise £250, but would like the bike, you are welcome to make up the difference by sponsoring yourself.

If you're riding on your own bike, please raise as much sponsorship as you can to help this worthy local cause.

## **PRIZES**

We are interested to see how close you can get to your usual TT time on the roadsters. So, if you compete on both your own bike and the single-speed machine, we will compare your two times and the riders who get the closest will win M-Bikes vouchers as follows:

1<sup>st</sup> - £50

2<sup>nd</sup> - £30

3<sup>rd</sup> - £15

There will also be M-Bikes vouchers for the fastest times on the roadsters:

Fastest overall - £40

Fastest lady - £25

Fastest junior - £10

## **SPONSORSHIP MONEY**

When you have collected your sponsorship money, you can send it to EACH (instructions are on the sponsorship form) or give it to M-Bikes or KLCC.

We will add it all up between us and let you know as quickly as possible how much has been raised.

## **ENTRY FEES**

Normal KLCC time trial entry fees apply

Adult member - £3

Junior member – FREE

Adult non-member - £5

Junior non-member - £2

If you are riding your own bike and the single-speed roadster, you will need to enter twice.
