

Sponsored Time Trial

Saturday 2nd September - Tottenhill

M-Bikes are providing 40 fantastic Indian made single speed Roadsters for you to ride in our charity time trial. If you can raise at least £250 for EACH you can keep the bike! This event is on the Saturday of the 2nd September 2017. The time trial will be run as normal and you are welcome to compete on your normal bike. Then after a break you will be given your Indian bike and you can ride the ten mile Time Trial on the Roadster (Gents and Ladies types are available).

The Time Trials are being marshalled and run by the Kings Lynn Cycling Club. The first rider starts at 2pm with the venue open all afternoon. So pop into M-Bikes at 6 High Street Downham Market (01366 384362) to register for your bike and be measured to ensure you fit your roadster and raise some money using the form

provided.

As an incentive for the competitive there are vouchers for the fastest on the Roadster around the course and another for the person who gets nearest to their time in the normal time trial. The Money raised will go to EACH after expenses, please see Martin in the Shop for details.

Minimum sponsorship to compete on the Roadsters is £50
